## 2023 Fall Mums Fundraiser Information

Fundraising is available for kids' sports teams, schools, churches, and service clubs!

Our mums are homegrown at Paulus Farm Market in Mechanicsburg, PA! Mums are hardy perennials that customers can plant in the ground to grow again next year. Groups receive 9-inch, terracotta colored, plastic pots of hardy mums that are grown and raised on our farm. Most years, shades of maroon, purple, orange and gold are available. We will choose a variety of colors for you to enhance your fall decor; no customer color choice, please.

To ensure fresh and healthy plants, delivery/pick-up dates run from early September through early October.
