

2026 information: Guided Field trips at Paulus Farm

Mid-April through May & mid-September through early November.

Groups rotate through guided stations that can vary throughout the seasons.

SPRINGTIME field trips include:

- Each student will plant a flower pot to take home
- Guided animal feeding time
- Garden exploration/planting
- Tiny sized twist ice cream treat
- Playtime on the farm

FALL field trips include:

- Hayrides to the upick pumpkin patch
- Pick a gourd and a pumpkin to take home
- Garden exploration & harvesting
- Guided animal feeding time
- Tiny sized twist ice cream treat
- Playtime on the farm with special 'fall fun' play spaces including giant corn pit & corn maze

Pricing: One lump payment is to be made on the day of your field trip. PLEASE HAVE YOUR PAYMENT READY UPON ARRIVAL.

Since this is a discounted rate, we accept only cash or check as field trip payment; no credit cards, please.

The cost is \$10 per student/child/client. Teachers and staff are free.

Chaperones are \$5 each (admission only: no animal feed, u-pick or take home activities).

Season pass memberships do not include field trips. Above prices will be charged to members.
